SSM010	(10) BRANCHES SET	9	Stainless steel	\$499.18

*Each set is pre-assembled, boxed and includes the following:

- (1) 1" Supply line manifold with flow meters;
- (1) 1" Return line manifold with manual valves;
- (2) 1" Ball valves with temperature gages (1" FPT x Manifold connection);
- (2) Mounting brackets;
- (2) Air vents;
- (2) Drain valves with caps;

Air vent and drain valve set (PART# SSM402) can be replaced with a plug (PART# SSM301) or a coupling (PART# SSM302) at no extra cost. See "How to order manifolds" for more information.

NOTE: PEX (PEX-AL-PEX) adapters are not included and have to be purchased separately.
